

MI Adhesives

Technical Data Sheet

Rev02 24Mar2025

DESCRIPTION

A golden yellow, general-purpose, low-odour, solvent-based synthetic rubber resin adhesive. Specially designed to reduce solvent odour, extend open time, and save both time and money for our customers. Ideal for use in the automotive, upholstery, interior finishing, woodworking, and insulation industries.

APPLICATIONS

Dunlop MI Adhesives is a brushable adhesive, specially designed for bonding acrylic mirror sheets without affecting the mirror coating. It is also suitable for bonding porous materials such as wood, cork, and flexible foam.
